

Johnson City ISD ACCELERATION EXAMINATION Testing Schedule

Johnson City ISD is offering opportunities for secondary students to earn credit in academic subjects and for elementary students to accelerate a grade level by passing the appropriate examinations for acceleration. Exams will be offered for all grade levels 1-5 and most TEKS-based courses in grades 6-12. The purpose of examination for acceleration is to allow a student to accelerate and earn credit for a particular course or grade level without formal instruction in that course or grade level. The student must score a **minimum of 80%** on the required tests for the course or grade level the student wants to accelerate. Elementary students must earn at least **80% on each** grade-level exam (English language arts/reading, math, science, and social studies) to accelerate. Any JCISD student is eligible to participate in testing without charge at the time of the regularly scheduled administration.

2021-2022 Test Dates	Day of Week	Deadline to Register
October 22	Fri	September 24
February 11 & 14	Fri & Mon	January 7
June 1 - 3	Wed - Fri	April 29
July 25 – 28	Mon-Thurs	June 17

Students interested in participating in the examination for acceleration program should pick up a registration form from the counselor's office at their school. **Registration forms must be returned to the counselor's office by the end of the registration deadline.**

Questions concerning the examination for acceleration program may be directed to the school counselor or campus principal:
