Driving a motor vehicle to school and parking on school property is a privilege offered by the parents and the school to responsible students. **Failure to abide by school rules may result in temporary or permanent loss of privileges.** Students requesting a parking permit must provide a copy of their driver's license and must also consent to random drug testing as provided by JCISD Board Policy FNF(LOCAL). A separate signed Consent for Drug Testing form must be on file in the LBJHS office before a parking permit will be issued.

Parking regulations requires all vehicles driven to school by students exhibit an LBJ parking tag acquired through the Student Council for a fee of \$15.00. Permits may not be transferred to another student. If for unforeseen reasons, you drive a different vehicle to school, a temporary tag must be obtained from the front office. **Failure to drive a tagged or identified vehicle will result in disciplinary action.**

Improper operation of a vehicle on campus, which will not be tolerated, includes but is not limited to: excessive speed, noise, reckless driving, improper take-off and/or texting/talking on cell phone while driving on campus. Students providing their own transportation to and from school assume total responsibility for arriving on time to classes. Students should not expect excused tardies or absences for personal car trouble. Student parking is limited to the numbered spaces in front of the school. Students are not permitted to park in any other area of school property during regular school hours.

All vehicles parked on school property, parking lots, etc... shall be subject to a search at any time. Students are responsible for anything found in their vehicles.

Failure to follow the guidelines for operation of a vehicle on campus may result in loss of driving privileges and/or additional disciplinary consequence(s) according to the JCISD Student Code of Conduct. Loss of parking and/or driving privileges on school property will result in the loss of eligibility for Semester Exam Exemption.

This form is to be completed and returned along with payment to the LBJHS Office prior to parking a vehicle on school property during regular school hours.
