

### **Child Find Notice**

The Johnson City Independent School District is responsible for identifying, locating, and evaluating children from birth through age 21 with known or suspected disabilities who reside in and/or attend school within the district's boundaries to determine whether a need for special education services exists. Child Find includes children who reside in group or nursing homes and/or who attend private or home schools within the district's boundaries regardless of place of residence.

The Special Education office accepts referrals of children who may have a disability. If assessment is recommended, the assessment is provided at no cost to the parent. A referral to Child Find may be made by a parent or by any person concerned about a child. Parent involvement and agreement is obtained prior to any further action. Information is confidential and the privacy of the children and parents is protected.

If you are concerned that a child you know may have a disability and need specialized instruction, please contact the Special Education office at 830.868.7410 option 5.
