February 2, 2022

Johnson City ISD will be closed on Thursday, February 3\textsuperscript{rd} and Friday, February 4\textsuperscript{th} due to winter weather advisories that may result in ice on the roadways, making travel unsafe.

The district calendar was strategically created to allow for additional instructional minutes in excess of the state’s requirement. As a result, this closure, as well as the closures we experienced in January, will not need to be made up by students.

Basketball @ Goldthwaite: Rescheduled for Saturday, 1:00pm, varsity only.
Softball @ Comfort scrimmage: Canceled
Baseball @ SA Sam Houston: Canceled

School will resume on Monday, February 7\textsuperscript{th}.

Thank you for your support and understanding, as it is imperative that we work together to ensure the safety of all students and staff.

Respectfully,

Richard Kolek
Superintendent
Johnson City ISD
